

# Getting Started: Accessing & Navigating the CMU Online Learning Environment

## Gaining Access

The CMU Online Learning Environment can be accessed at any time using the following URL:

<https://cmich.amesite.com>

You can log in using your CMich Global ID by clicking the 'Continue with CMICH' button on the login page.

A screenshot of the CMU Online login page. At the top, it features the CMU ONLINE logo. Below the logo, the word 'Welcome' is centered. There are two input fields: 'Email address' and 'Password'. The password field has an eye icon to its right. Below the password field is a link that says 'Forgot password?'. A large, dark red button labeled 'Continue' is positioned below the links. Underneath the 'Continue' button, the word 'OR' is centered. At the bottom, there is a button labeled 'Continue with CMICH' which includes a small CMU logo icon. This button is highlighted with a red rectangular border.

Enter or select your CMich Global ID and enter your password as prompted.

## First Glance at the Environment

Once you have logged in, you will be brought to the User Portal. The Portal is the launchpad for all your course experiences. From here, you can get a glimpse at the discussion posts across your courses, key dates, your profile, and of course- navigate into each course.

The screenshot shows the CMU ONLINE User Portal interface. At the top center is the CMU ONLINE logo. On the left is a dark red sidebar with the user's name "Nancy Matheson" and navigation links: Home, Courses, Profile, Help, and Log Out. The main content area is divided into three sections: "DISCUSSION FEED" with two posts (one by Nancy Matheson and one by William Rutherford), "KEY DATES" with three date cards for September 30, December 31, and December 31, and a "Course Manager" link in the top right.

## Navigating Your Course

Your course(s) can be accessed from the 'Courses' tab in the Portal. Once you have navigated into your course, you will be brought to the Course Home Page. Each course has its own unique home page where you can view the course content, assignments, discussions, messages, and more!

The screenshot shows the CMU ONLINE User Portal interface with the "Courses" tab selected in the sidebar. The main content area is titled "MY COURSES" and features a "Course Manager" link in the top right. Below the title are three course cards: "Artificial Intelligence" (5 Students, ends December 30), "Data Science" (1 Student, ends December 30), and "Succeeding in Remote Work" (1 Student, ends September 29). Each card has a "VIEW COURSE" button.
